

February 28, 2019

Dear Sir or Madam:

First Sisters Outreach, Incorporated 501c3 and Alpha Kappa Alpha Sorority, Incorporated-Delta Omega Omega Chapter will sponsor our 52nd Annual Debutante Cotillion, December 14, 2019. We are excited about your opportunity to support as a sponsor of this extraordinary four month training for high school seniors and college freshmen. As you know, reinforcing higher education, scholastic rewards and service is a true investment in our community and the success of our youth. And...your sponsorship is tax deductible!

The purpose of this debutante program is to recognize, cultivate and inspire young ladies in our community through various activities and workshops from August to December. The clinics promote college preparedness, volunteerism, character development, wellness and social decorum. On average, one hundred (100) high school graduates (debutantes and escorts) participate annually. Local dignitaries, parents and invited guests have attracted nearly 800 annual attendees from Pine Bluff and surrounding areas. Now, let's talk about your name in lights as the presenting sponsor of the 52nd Debutante Cotillion!

Enclosed is the sponsorship brochure that can ensure you are affixed to one of the county's largest and longest running developmental programs and showcases for young women and men. Let's work together for our community's future and invest in our scholars!

Sincerely,

Chandra Griffin
